Beauty & the Barber

This brochure looks at the styles in our collection that are designed for those working in the aesthetics, care and wellbeing industries. From high-street hair salons to luxury hotel spas, beauty parlours to clinical treatment rooms, we're on hand to give staff their very own little makeover!

And, with the fashion for facial hair and handsome haircuts proving more popular than ever, we are pleased to offer a range of vintage-retro inspired uniforms for barbers.

For healthcare workers who needs to be easily identifiable, there's comfortable and stylish tunics in a good range of sizes and colours.
