BIB & WAIST APRONS | POLO'S, SHIRTS & TEES | CHEFSWEAR STYLES

SERVING THE STYLES YOU NEED

As hospitality environments adapt and evolve, we continue to be at the forefront of product development and innovation with a collection of uniforms that meet the ever-changing demands of this industry.

Give employees the confidence to serve safely by providing them with a face mask that is reflective of your brand. We have face masks and coverings in up to 27 colours that match with our collection of Aprons for a cohesive look at the front-of-house.

We have also introduced a hygienically enhanced range that is treated with an antimicrobial textile technology called HeiQ Viroblock; and in our efforts to be live, work and manufacture in a more sustainable way, we have launched a line of hospitalitywear that reflects this eco-friendly ethos.

PEOPLE, PRODUCTION & THE PLANET

We are proud of our collection and the people who make it for us. We care about the environment that we all live and work in.

To protect what is important to us, we require every supplier and factory to meet a set of internationally recognised directives that awards them with a Certification of Compliance.

INCLUDES

ECO-FRIENDLY OPTIONS

Staying true to our objective to minimise our environmental impact, we continue to work with our manufacturing partners to ensure that there is complete clarity in our supply chain, so you can be sure that we are working to the highest ethical, social and environmental standards we can.

Our latest commitment to our objective sees us launch range of sustainable products that have been farmed in the most resourceful manner and made from the most natural materials.

Let's take a look at what makes these products sustainable.

**CERTIFIED
ORGANIC
COTTON**

Organic cotton is grown without the use of toxic pesticides and synthetic fertilizers, therefore having a low impact on the environment. Certification is awarded to producers who use recognised agricultural methods and who farm the most natural resources.

**RECYCLED
POLYESTER**

The Polyester element in our PR120 Apron is made entirely from plastic bottles – making it 100% recycled! Using existing plastics means there less extraction of raw materials, resulting in less carbon emissions and of course there is the benefit of keeping it away from our landfills. Recycled polyester gives the same technical fabric performance, but with a lesser carbon footprint.

**CERTIFIED
FAIRTRADE
COTTON**

The Fairtrade Foundation awards farmers and growers with a Fairtrade status that enables them to get a fair price and better trade conditions for the cotton they produce and sell. This in-turn allows them to improve their living conditions and makes for a more socially conscientious supply chain.

APRONS

Bring your establishment to life with a staff uniform that your team will be proud to wear!

Trendy artisan Apron styles are a firm favourite amongst front-of-house staff because they are designed with cool and quirky features that reflect the latest high street fashions. Denim fabrics give a vintage retro appeal to service, whilst heavy canvas cottons elude a certain rustic charm - especially when teamed with one of our checked shirts.

Discover our 'Colours Collection' where we have Aprons in up to vibrant 60 shades across many different styles including bib and waist options with handy tablet-friendly pockets.

By design, aprons are a practical style protecting one's own clothing from the elements; we've taken them one step further and designed them with aesthetics in mind for an exciting teamwear choice.
